ANSWER

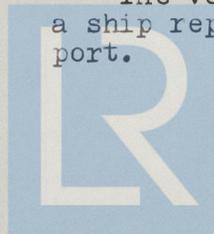

With reference to your memorandum of the 20th December, I shall be glad to learn the present position regarding this case, and the Owners' intentions regarding the re-classification of this vessel.

Date:— 14th December, 1962.

We are informed by the Owners' Representative that the alteration and re-classification of this vessel has been delayed pending the allocation of foreign currency by the Government of Indonesia. The Owner's Representative states that it is still their intention to reclassify the vessel.

The vessel is now lying at a ship repairers' yard at this port.
