Vessel's Name: S.S. "HARPATHIAN"

We are in receipt of your letter of the 28th inst., regarding the Special Survey on this vessel.

For your guidance, the vessel is at present in Calcutta and the Classification Surveyor has already passed Holds for Special Survey. The vessel is loading and returning to the Continent and we are making arrangements for the Special Survey to be entirely completed on arrival, either on the Continent or in the U.K., and we trust that this is satisfactory for your records.
