Gentlemen:

It is a great pleasure to inform you that we have finally succeeded in putting afloat the Motor Boat "CHIAPAS", which we purchased three years ago, from the Grace Line Steamship Company.

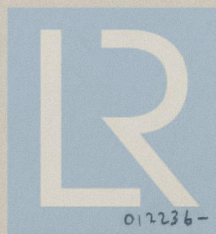

This boat is in excellent condition, and will only have to have some slight repairs of minor importance to be put in service again.

As we are interested in having this boat insured in your company, we are only waiting to have it in operation to submit it to your inspection, which will probably be within three months.

With nothing further at this writing, we beg to remain,

Yours very truly,

/s/ FULGENCIO ESCUDERO.
