28th January, 1919.

S. Dear Sirs,

I duly received your letter of the 21st instant respecting the examination of the inner surface of the bottom plating of your Motor Vessel "ASTONA", and with regard thereto I beg to acquaint you that in the circumstances you mention the Committee, who have had the subject before them to-day, have deferred action in the matter for a short time.

I am, Dear Sirs,

Yours faithfully,

Secretary.
