30th December, 1954.

Dear Sirs,

I am in receipt of your memorandum of the 28th instant respecting the wood motorship "SANTO", the contents of which have been noted, and with regard thereto I have to acquaint you that, provided the vessel is found in a satisfactory condition at the forthcoming dry docking, the Screwshaft Survey is held and the whole of the machinery generally examined under working conditions, no objection will be taken to the vessel's class being maintained until March next as desired by the Owners, and I shall be glad if you will inform them accordingly.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
OSLO.
