

"HELLAS" Pir.Rpt.No.

Before this case receives
the consideration of the Committee IT IS SUBMITTED
the Surveyors be requested to furnish particulars of
keel drillings and to state the frame stations
of drillings bearing in mind the requirements of
Para.C.231 of the Rules, i.e. the drilling is to
be done in at least two places in each strake of
plating on each side within the amidship $\frac{1}{2}L$.
