Dear Sirs,

Steamer "PIRIN".

C.

AH/SM

With reference to your letter of the 20th April, this case has now received the consideration of the Committee, who have given instructions for a notation to be recorded against this ship's name in the Society's Register Book indicating that the class has been withdrawn at the Owners' request.

Concerning your enquiry regarding the boilers, I have to inform you that this Society's Rules do not require periodical hydraulic testing of boilers.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.
