Dear Sirs,

C. Steamer "PIRLIN".

RNC.

I am obliged to you for your letter of the 18th instant, and have today informed the Committee of the Owners' statement that arrangements will be made for the Boiler Survey to be held in the very near future, and in reply I am asked to say that this arrangement will be approved on the assumption that the survey will definitely be held some time next month, without delay.

Should this proposal not be fulfilled, the Owners must of course appreciate that further maintenance of class will be in jeopardy.

Yours faithfully,

Clerk to the
Classification Committee.
