

LLOYD'S REGISTER OF S

1012273-012278-0099

Yes, Circular 2183 is applicable
but we have no knowledge of
Surreys to Russian Register being
~~stationed~~ stationed at Varna.

Murray has written to the
Russian Register asking to be supplied
with a list of ports at which their
ships are stationed. Perhaps the
Istanbul Survey may know

this Office
this message.
