Dear Sirs,

S.S. "MARABANK"H & F

With reference to your letter of the 11th ultimo and Captain Smith's call at this Office yesterday, I have the pleasure to inform you that an air letter has been sent to the Society's Surveyor at Auckland requesting him to extend the vessel's Load Line Certificate, after satisfactory examination of the vessel, to enable her to return Home in August next, when it is concluded the Classification Survey will be completed. It is noted that the vessel should be available for the requisite examination at Auckland towards the end of the present or early next month.

Yours faithfully,
