1st December, 1967.

Dear Sirs,

m.s. "GUANG MING"

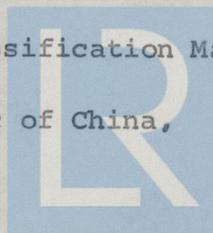

With reference to the Classification in the Society's Register Book, I would inform you that the Auxiliary Boiler Survey became due so long ago as May 1967, and in the circumstances I shall be glad to learn what early arrangements are proposed to be made for this inspection to be held.

I would add that an Annual Survey is now due, and that this vessel has not been seen in drydock by the Society's Surveyors since August 1966.

Yours faithfully,

Classification Manager.
