Dear Sir,

Ans'd.....

Trawler "SUTHERNESS."

With reference to your letter of the 1st May, we have today contacted the Owner of the above vessel.

Mr. Carter states he has not had official confirmation from the White Fish Authorities regarding oil fuel conversion, and feels, owing to the present state of the fish trade, he would be unwise proceeding with the conversion at his own expense.

The situation being as above, Mr. Carter suggests that the Committee allow him until the end of May, before making a definite decision, as he personally would like to convert the vessel as soon as possible with Classification.

Yours faithfully,

W. J. H. [Signature]

The Secretary,
LONDON.
