Dear Sir,

Motorship "SOYA MARGARETA".

17th 2.

We duly received your letter of the 6th ultimo respecting the above vessel and in reply have to acquaint you the Owners state that a new bower anchor is stored at Messrs. A/G Weser, Bremen, and will be fitted onboard when the vessel arrives at a suitable port.

With regard to the machinery, the Owners state that the main engine No. 5 cylinder cover will be dealt with at Wellington, N.Z., to which port the vessel will arrive at the end of the present month. The Wellington Surveyors have been advised.

Yours faithfully,  
THE SURVEYORS, Stockholm
