Dear Sirs,

S.S. "BARBOSA"

With further reference to your letter of the 26th ultimo regarding the classification of the above vessel, we would now advise you that the "BARBOSA" was withdrawn from service on the 1st February last and has been laid up since that date.

In the circumstances we would ask you to hold classification in abeyance pending a decision on the vessel's future. In the meantime we have written to the Operators advising them that it will be necessary to complete a boiler and screw shaft survey before bringing the vessel once again into service.

Yours faithfully,
