Dear Sir :-

The above vessel has recently been purchased by the Soviet Government, who inform us through their Kobe Agency, that they do not desire to continue her classification with the Society's Register Book, but are arranging to class her with the Germanischer Lloyds.

The vessel is now in Kobe, and her name and Port of Registry are being changed to, "Vtoroi Krabolev" and Vladivostok, respectively.

The new Owners have been requested to return her Freeboard Certificate for cancellation.
