28th November 1961.

Dear Sirs,

R

M.S. "ONWARD PIONEER"

You will note that this ship has not been seen in drydock by the Society's Surveyors since October 1959 and I shall be glad to learn what early and definite arrangements the Owners propose making for such an inspection to be carried out.

The Donkey Boiler Survey became due at the end of June last and the Owners' intentions regarding this inspection will also be appreciated.

You will observe that the Screwshaft Survey becomes due at the end of March next.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
HULL
