Dear Sir:

R.M.S. "LADY RODNEY"

I enclose herewith copy of a letter dated the 21st May addressed to Mr. Dobson by the Canadian National Steamships regarding the assignment of deeper load lines for the above named vessel.

As these vessels were built in the United Kingdom and the freeboards are assigned there I would be obliged if you would consider the case and inform me so that I might reply to the inquiry.

I am, Dear Sir

Yours faithfully

Principal Surveyor
