

25th November, 1949.

Dear Sirs,

H. I have to acquaint you that in reply to enquiry regarding the Boiler Survey, which became due on the Barge "JAMES ROCKBREAKER VII" at the end of August last, the Paris Office writes as follows:-

"The Owners inform that the above ship is at present at Southampton. They suggest that the local Surveyors communicate with Mr. Arzel, their Representative on board, who will make with them the arrangements for the Boiler Survey to be carried out".

In the circumstances I shall be glad to learn what arrangements are proposed to be made for the requisite inspection to take place.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
SOUTHAMPTON.
