2nd January, 1948.

Dear Sir,

I enclose for your information correspondence relating to the Pontoon Barge "JAMES ROCKBREAKER VII", and shall be glad if you will explain to the Owners that the Society's Surveyors cannot issue any instructions regarding the opening out of the vessel for Special Survey. If, however, the Owner will advise the name of their Agents in Southampton or appoint an Agent to act for them commercially in the matter, the Surveyors will be pleased to collaborate and make their full recommendations when the vessel is prepared for survey.

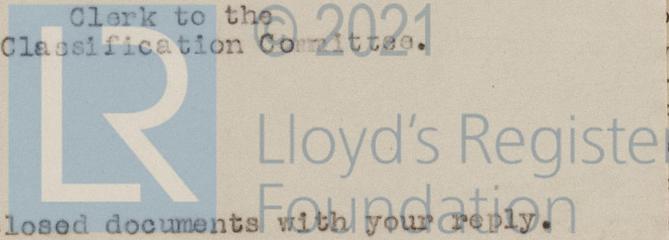

Yours faithfully,

Clerk to the
Classification Committee.

J. Taxil, Esq.,

P.S. Please return the enclosed documents with your reply.
