31st October, 1939.

Dear Sirs,

S.

I duly received your letter of the 25th instant respecting the non-propelled Pontoon Barge "JAMES ROCKBREAKER VII" and in reply have to say that you should charge a suitable fee for the installation of the rockbreaking machinery commensurate with the services rendered.

Such fee would, of course, be additional to the ordinary Annual Freeboard Survey fee.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
SOUTHAMPTON.
