M. Dear Sirs,

With reference to your First Entry Report No. 73384. on the Steamer "HOMEFORD" I shall be glad if you will kindly state whether the collision bulkhead extends watertight to the upper deck, and if the stem bar is as approved, as these items have been omitted from the Report.

You should also state whether the propeller post is as in the sister vessels and as approved, or as stated in your Report.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWCASTLE-ON-TYNE.

Secretary.
