Indonesia.

20th March, 1958.

The Secretary,
LONDON.

Dear Sirs,

DJAWATAN PEIAJARAN VESSELS

I received your letter of the 13th instant, from which I learned of the decision not to publish the withdrawal from class of the above vessels.

The matter of withdrawal is at the present moment not even under consideration at the Ministry of Shipping. It is the intention to carry out surveys on all ships which become due, in so far as the conditions under the present political upheaval permit.

My spokesman regarding the above, is Mr. Ratjani, the Head Executive at the Ministry of Shipping, who is in charge of operations of all Indonesian Shipping.

Yours faithfully,

(Signed) J.G.F. Warris.
