Ans'd

Dear Sirs,

M/T "RINGFJELL"

This is to inform you that we have decided to transfer
the classification of the above ship to Det Norske Veritas.

The reason is that we have booked the ship at a Rouen yard
for being converted into an ore carrier and we had just
a few days to have our drawings ready and consequently we
had them discussed and approved by D.N.V. headoffice here.

The transferring to D.N.V. will be done during the rebuilding
at Chantiers de Normandie, Rouen, from the end of this month.

We wish to express our best thanks for good co-operation
concerning the above ship.

Yours faithfully,

pr. OLAV RINGDAL
