13th February, 1950.

Dear Sirs,

With reference to the case of the Motor Tanker "RINGFJELL", which was under survey at Kiel from September 1948 to May last for re-classification, I have to inform you that reinstatement of this vessel's class has been deferred pending the fitting of lead sheathed electric cables as required by the Rules ^{and} as recommended by the Kiel Surveyors.

In the circumstances, I shall be glad if you will ascertain from the Owners, Messrs. Ringsdal Rederi A/S, of your port, and let me know what arrangements they propose making for this matter to receive attention.

Yours faithfully,

The Surveyors,
OSLO.
