"KROSSFOHN"

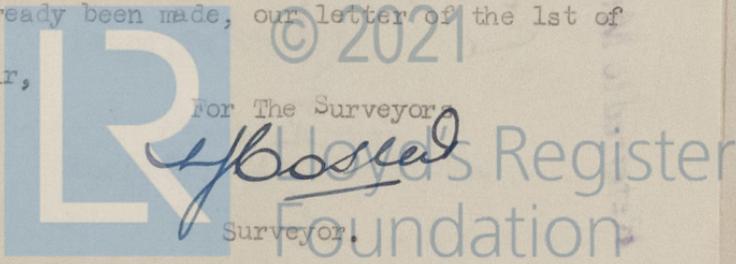

Sir,

In reply to your letter of the 3rd inst. we have to state that the question of classing the above vessel was dealt with through the repairers at Kiel in September last, and reference to our letter of the 23rd of February 1948, addressed to Mr. Stevens, giving a list of the work in hand and projected, will disclose the fact that tentative arrangements had already been made, our letter of the 1st of March 1948 also refers.

We are, dear Sir,

For The Surveyors

*R. B. Jones*  
Surveyor.

The Inspector of the Navigation, consulted, replied that the I societies are private concerns and that the Classification Societ legal ;so he could not let the parts of the "KROSSFONN "be towed Brest if he there was not a certificate from the Lloyd's Surveyor

As you can see, I had to insist for keeping this vessel unde  
vey. I sincerely hope that Mr. COSLETT will have no difficulty with
