M/S "KROSSFONN"

Messieurs A. RAILLARD et FILS
Courtiers Maritimes
21, Rue d'Aiguillon-Brest

Dear Sirs,

I beg to call your attention upon the fact that the Motor-Tanker "KROSSFONN", refloated in two parts which will be separately towed in to Brest, was classed to the Lloyd's Register of Shipping.

It would be, consequently, natural that I should be called for surveying the work carried out on board the two parts and delivering the usual certificates which can be important for the Insurance Co., and are legally required by the "Inspection de la Navigation".

Yours.....

Nantes, 12th July 1948

The Surveyor:

F.Y. Brunellière

REPLY

Mr. The SURVEYOR
Lloyd's Register of Shipping
8, Rue Montyon-Nantes

Dear Sir,

We are in receipt of your letter of the 12 inst.

We so completely agree with you that, as soon as the repairs were started, we advised Mr. de la Ménardière who said he would call for you, and get on board, for surveying the work, Mr. Dessoudres, who is acting as your agent in Brest.

We ask you to send to them your instructions and come whenever you can as the repairs should be, in principle, finished by the end of the month.

Yours.....

Brest, the 20th July 1948

RAILLARD
