Dear Sir,

m.s. "KROSSFONN".

We thank you for your letter of the 18th instant, informing us that the Special Survey No. 1 had become due at the end of August last year and which has been partly held.

We also note that the vessel's rudder should be further examined on account of the vessel having fouled a bank. We are making a note of this matter and will ascertain the position of the vessel so that arrangements can be made to deal with same as soon as possible.

Yours faithfully,

THE NORWEGIAN SHIPPING AND TRADE MISSION.
