-----  
No surveys are due on this vessel.

She was dry docked at Amsterdam last month, when the  
Society's Surveyors reported that she had been sold to the above  
Owners, who had informed them that their services were no longer  
required, as she would be classed with the Bureau Veritas.

In reply to enquiry the new Owners have now written  
confirming this decision.

The Classing Committee had the case before them on  
Friday, the 20th instant, when they decided to give instructions  
for the vessel's character to be withdrawn from the Register Book  
and Three Dots (...) inserted in lieu thereof indicating withdrawal  
of class at Owners' request.
