2 assignment letters, copies  
of reports and Dutch form 2a  
enclosed.

8th June, 1937.

Dear Sirs,

F. I am in receipt of your Rpt. C.11 in respect of the m.s. "BOTHNIA", and accordingly enclose the usual freeboard assignment letters for this vessel, together with Dutch form 2a on the case. A copy of the freeboard report and copies of the computations made are also sent.

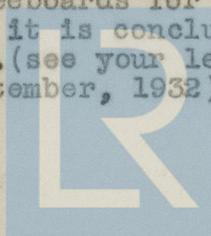

I am, Dear Sirs,

Yours faithfully,

Assistant Secretary.

The Surveyors,

ROTTERDAM.  
P.S. I have to add that no penalty has been applied in the case of the timber deck cargo freeboards for the absence of a hood on the raised quarter deck, as it is concluded the steering gear is protected by a deckhouse. (see your letter in respect of the "WSEL", dated the 22nd September, 1932).
