LISBON.

"FAFE" I am in receipt of your letter of the 24th ultimo and may say that in the circumstances the Committee have deferred consideration of the case for a short time but have instructed me to inform you that unless advice is received at this Office that the vessel has come under your inspection for completion of 2nd Special Survey No.3 and repairs, before the 22nd instant, they will have no option but to deal with the vessel's class. You should therefore advise me in due course, by cablegram if necessary.
