J. B. SCULLARD,
ENGINEER SURVEYOR.

A. E. SCOTT,
SHIP SURVEYOR.

Dear Sir,

We duly received your letter of the 1st. and 18th. instant with reference to the completion of the S.S. and L.M.C. of the above named trawler.

On receipt of your first letter a communication was sent to the Owners and later a reminder..

In a communication received today the Owners state that it is their intention to dry dock the vessel towards the middle of next month and they will then advise this Office when the surveys may be carried out or of any decision in the matter which they may take.

We are, Dear Sir,

Yours faithfully,

John J. Scullard.

For the Surveyors.

The Secretary.

Referred to Mr. E. H. G.

Dear Sirs,

29 NOV 1938

Mr. S. J. Dunn of Leccis 54-5, E.,
Essex Docks, Stepney. Wednesday 1928.

I hope, Sirs, you will receive this letter to refer to the fact that we have made some additions to our correspondence with Mr. G. M. Dunn to the effect of our desire to combine our two vessels, the "M. A. L. M. D." and the "A. K. L. M. D.", which were built at the same time and have been used for similar purposes.

We think it would be better if we could make arrangements to have one vessel to serve both purposes, and we would be pleased to receive your views on this subject.

Yours very truly,

John T. Phillips,
L. & G. Esq.,
