9th September, 1957.

Dear Sir,

S.S. "FIRISHTA"

I acknowledge your letter of the 5th instant and in reply would inform you that the next Special Survey of this vessel will fall due in April 1958.

An Annual Survey will become due next month (October 1957) and a Boiler Survey is considerably overdue as the survey became due in December 1956.

On the 5th instant a letter was addressed from this Office to the Society's Surveyor at Karachi stating that if definite arrangements for the Boiler Survey and the Screwshaft Survey (which became due last March) were not made for these inspections to be held at an early date the Committee will have no alternative but to suspend the vessel's class.

Yours faithfully,

c.c. East & West  
Karachi

Clerk to the  
Classification Committee
