

"TSINAN"

There has been no previous correspondence authorising this condition survey prior to sale at Hong Kong.

It will be noted from the appropriate file that the Halifax Surveyor held a similar survey without authority on a classed ship (BLUE PETER II) but the circumstances of the case were extenuating and the matter was allowed to go without comment.

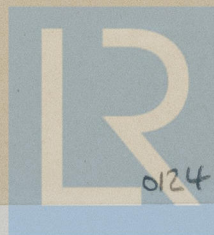

R.a.f.

25th October, 1951.

(Recd by Ship Dept 25/10)
