Surveys must be reported in the terms of the Rules. The nature and extent of Examinations and Reports (if any) must be stated in detail, the parts examined and their condition being clearly indicated. For Annual, Special or other Condition Surveys the Summary of Examination and Condition on the back of the Report is to be carefully completed and amplified if necessary in the body of the Report. Outstanding items to complete the Survey should be commensured at the end of the Report. The reasons for Repairs must be stated.
