Halifax, N. S.,
June 13, 1955

Mr. Leonard L. Baisley,
Plant Engineer,
Booth Fisheries Canadian Co. Ltd.,
Petit de Grat, N. S.

Dear Sir: M.T. "RED DIAMOND IV"

We acknowledge receipt of your letter of 7th instant re the above vessel, and note also that you are not interested in keeping her in Class.

We have checked our file on this vessel, and so far as can be ascertained, no communication has been received at this office advising us of your wishes in this respect.

In order to advise our Head Office officially, so that the correct status may be entered in the Register Book, we would appreciate very much if you would forward us a copy of the letter referred to, or simply a letter stating the Owners' wish to withdraw the vessel from Class.

In this case, there will be no need for a survey to be carried out by the Society's surveyor while the vessel is undergoing refit at Sydney, N. S.

Yours very truly,

(Signed) L. M. MATHERS

Surveyor.
