BOOTH FISHERIES CANADIAN CO. LTD.

Petit de Grat, N. S.,
June 16, 1955

LLOYD'S REGISTER OF SHIPPING,
Halifax, N. S.

Dear Sirs:

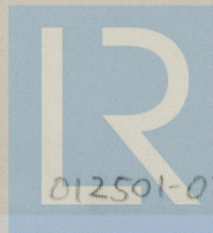

Mr. Baisley is absent from the office for a few days and I have handled his mail.

In answer to yours of June 13th, since our Trawler "RED DIAMOND IV" is under Canadian Steamboat Inspection, we decided some time ago that we would dispense with your services. I am quite sure that Mr. Baisley notified you in some way at that time, however, I cannot find a copy of a letter in the files.

Regardless, you may take this letter as your authority to withdraw this vessel from Class.

Yours very truly,

(Sgd.) C. D. Gordon,
Manager.
