COPY OF CLASSING LETTER

23rd February, 1954.

Classn(S)
AJAC

Dear Sir,

I have to acquaint you that the Vessels named in your Reports of Survey, numbered below, have been classed as against the same expressed.

6672 "DAUNTLESS STAR". As recommended except that the vessel's class has been continued subject to permanent repairs to indented stem plating, etc. (port side) being carried out at the next drydocking, and in this connection it is concluded that this plating continues efficient and that no alterations are required to the conditions of class, but I shall be glad to receive your confirmation on this point.

Yours faithfully,

pro Clerk to the
Classification Committee

J. Stevenson, Esq.,
HALIFAX.
