Received from Chief Ship Surveyor

VESSELS NAME Motor Trawler "DAUNTLESS STAR" REPORT Hul. No 58164

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

This Motor Trawler was built in 1948.

The new Owners now desire Classification with this Society.

The scantlings and arrangements have been found suitable for the class 100A- "Motor Trawler"

The equipment on board is equivalent to Rule requirements but particulars of tests have not been supplied, (See also Hull Surveyors' letter 7.3.52).

The Surveyors report the anchor working and stowing arrangements have been found satisfactory under working conditions, and suitable for the service of the ship.

In a First Entry Report and Rpt. 8, the HULL Surveyors report (2,52), ship examined on slipway, the requirements of a Special Survey for Classification complied with and alterations in accordance with approved plans effected.

IT IS SUBMITTED for consideration that this ship is eligible to be classed 100A- "Motor Trawler" and that record of docking 2,52 and Notation of 'ss. Hul. 2,52' be assigned as recommended; the assignment of the Figure '1' being WITHHELD pending the test of the anchors and chain cables at the first opportunity. ✓
