Vessel's Name: Steamers "AMINUL BAHR", "SAFINATUL" "HASSAN" and "QASEEMUL-BAHR"

5

With reference to the above ships, we beg to state that we have now received a letter from the Owners stating that they are endeavouring to obtain drydocking facilities towards the middle of this year.

They will no doubt desire to have the class of these ships restored, and we shall be glad if you will kindly let us have your instructions regarding the surveys which will become due this year in order that we can communicate this information to the Owners.
