In reply to your letter of the 16th March 1956 regarding the above vessel I beg to state that during a recent visit to Dacca, I called on the officials concerned with this vessel and discussed the maintenance of classification of their vessels S.Ds "AMINUL BAHR" AND "SAFINATUL HASSAN" AND "QUASSEEMUL BAHR". The officials were unable to give me information on this matter and asked me to write to them specially. This has now been done and their reply is awaited.
