Mrs. James Finlay & Co. Ltd.,  
NARAYANGANJ.

Subject:- Lloyds survey of the vessels  
S.Ds. "Aminul Bahr" and  
"Safinatul Hassan" and T.B.  
"Quaseemul Bahr".

3722 dated 13/9/55.

Sirs,

It has been proposed that the above vessels should be  
registered under Lloyd's Register of Shipping. I would, therefore,  
request you to intimate me the approximate cost of survey and  
registration and the procedure to be adopted in getting the vessels  
registered in such manner. The Lloyd's Agents may inspect the  
vessels at our Narayanganj Dredger Base in any day for this purpose.  
Particulars of the vessels will be supplied to you later, if  
required.

An early reply is requested.

Yours faithfully,

Sd/.....
