Dredger "SAFINATUL HASSAN"  
Tank Barge "QUASEEMUL SAHR"

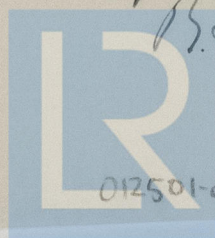

Dear Sir,

With reference to the above vessels I have to state that the assignment of class has been withheld pending the receipt in London of a satisfactory report on the vessels' condition on arrival at their destination.

I have been requested by the Classification Committee of Lloyd's Register of Shipping, London to arrange for a General Examination in dry dock of the above vessels. I shall be glad if you will kindly let me know when this can be carried out.

I shall also be glad if you will let me know the limits within which each ship will be employed so that these may be included in the class to be assigned.

Yours faithfully,  
For THE SURVEYORS.
