**The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.**

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

Signature of Surveyor \_\_\_\_\_

The Auckland Surveyor reported this vessel placed in dry dock, bottom coated in November last.

The engines and boilers were removed in November last and oil engines fitted and a new bulkhead fitted forward of the machinery forming an additional compartment for cargo and a hatch fitted to same.

Particulars of the bulkhead were required and have now been received. (Endorsement dated 21.5.31.)

It is submitted the vessel appears worthy to remain as classed with record of survey 11.30.
