And. 22-  
LONDON

*Lloyd* 29/5/31

Rpt. 1448. M/S. "PUKEKO".

Dear Sir,

I have pleasure in forwarding Supplementary Rpt. No. 1448. together with blue prints of the new Bulkhead and Engine seatings as now fitted.

The curved recess and fuel tank attachments provide a certain amount of horizontal stiffening, the bottom strake as fitted is of '38. plate for 4'6". measured from keel.

All rivetting is watertight pitch, the work having been hose & fume tested, (sulphur pots in hold).

I shall be pleased to receive your approval or otherwise in this case, also kindly forward a minimum of any additions should this bulkhead not meet the Requirements.

May I ask special consideration of the Committee, no alterations in this vessels permeability having been made.

Yours faithfully,

*Richard Smith*

LONDON

Mr. J. W. ...

I have pleasure in forwarding you the  
prints of the new plan and  
the curved pieces and their attachment  
to the hull. The plan is of the  
type of hull for 40' diameter  
and is of the type of hull for 40'  
diameter. The plan is of the type  
of hull for 40' diameter and is of  
the type of hull for 40' diameter.

Referred to the Chief Ship Surveyor,  
and the Chief Engineer Surveyor.

*W.R.S.*
