Dear Mr. Carey:-

M.S. "PUKEKO", Chicago Rpt. 317.

With reference to your letter of the 3rd instant regarding the Reports from the American Committee of the 11th February, I am wondering whether the inquiry on the above mentioned case is intended for this Office, as the Engine Builders inform me that they supplied only the main engines, air receivers and propellers, and that the fuel tanks were to be supplied and tested at the port where the engines were installed.

Yours faithfully,

J. French
