

Chief Ship Surveyor .....

Received from Chief Ship Surveyor

126 JAN 1931

NAME Steel Twin Sc. "PUKEKO" Rpt. Auk. No. 1448

marks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/192).

Survey .....

The Auckland Surveyor reports this vessel placed in dry dock and the bottom coated.

The engines and boilers have been removed and oil engines fitted, the length of the machinery space being reduced and a new bulkhead fitted at the fore end of the machinery space.

See special endorsement dated 10.1.30.

It is submitted action be deferred pending the receipt of a reply from the Auckland Surveyor.
