Dear Sir,

Further to our letter of the 18th instant regarding the "POSTBOY" (Gms.rpt.21416), we have to inform you that the Owners, after careful consideration of the question concerning the indented and pitted shell plating, desire that the vessel's class be assigned without any condition, as it appears that a satisfactory arrangement has been made between the Builders, Underwriters, and themselves.

Yours faithfully,

J. L. Palmer
pro Surveyors.

The Secretary,
WOKINGHAM.
