71, Fenchurch Street, E.C.3.

3rd December, 1941.

Dear Sirs,

I duly received your letter of the 19th instant enclosing one from Messrs. Cochrane & Sons, Ltd., regarding the fees to be charged for their Yard No.1211 "POST BOY" ex "LE ROYAL", and in reply have to say that as this vessel is to be classed with this Society and certificates are desired, there would appear to be no reason to depart from the usual practice of charging the full fees to the firm responsible for the construction. Any adjustment desired by Messrs. Cochrane would appear to be a matter for discussion between themselves and Messrs. Doig Ltd.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,  
HULL.

Clerk to the  
Classification Committee.
