Dear Sir,

m.v. "PUSPARAGAM".

The above named ship is due for Special Survey, ship and machinery in November next, but as the ship is urgently required during the next 12 months, the Owners' Representative at this Port applied for postponement of the surveys until the end of August 1958.

The ship will be placed in drydock at this Port towards the end of this month or beginning next month and a General examination could be held at the same time.

In expectance of Your favorable decision I remain.

Yours faithfully,

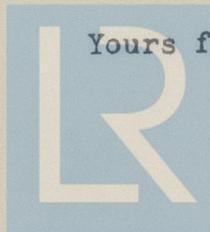

Jacobs
