LONDON, E.C.3

Dear Sirs,

M.S. "ST. HONORAT"

We beg to inform you that, as a consequence of the very heavy demands resulting for us from the travelling forward and backward of your Lagos Surveyor, coupled with the fact that contrary to expectations your Society have no surveyor stationed at Dakar, we are compelled to transfer the classification of our ship to the Bureau Veritas.

We shall therefore be glad if when the present classification certificates expire you will expunge the vessel's class from your Register.

Yours &c.

Has a Survey also been held on the Machinery of the Ship?

If so, is the report sent now, or when will it be sent?
